

REMARKS

Prior to issuance of the above-identified application as a patent, dependent Claims 5 and 6 have been amended to change the terminology "a stage of a low light quantity" to read —the stage of smaller light quantity—, so that those amended claims correspond to the terms of the last two lines of independent Claim 4. Also, the last phrase of dependent Claim 5 has been changed to better form.

Applicant's undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our below listed address.

Respectfully submitted,
